New to Las Vegas or your executive position?

Seeking to be an engaged resident of our community?

Interested in gaining awareness, insight and participation in community activities and processes?

Let the Chamber help you bring Las Vegas into FOCUS.

Focus Las Vegas provides personal, intimate group sessions that allow participants to interact one-on-one with city and business leaders. Presenters are experts and dignitaries from all facets of the business community. They offer an insider's view and behind-the-scenes details to the unique workings of one of the most fascinating cities in the world.

Purpose

Focus Las Vegas provides a concentrated executive enrichment program for individuals who are committed to making Las Vegas a strong and thriving community. Participants enjoy an accelerated, two-day integration into and understanding of the inner workings of the Las Vegas Valley.

Focus Las Vegas is a cost effective and efficient way for both new residents and recently-promoted professionals to gain the insight they need to successfully navigate and do business in Southern Nevada.
